

TERMS & CONDITIONS FOR SAMPLES DISPLAY

| N | Showrooms must keep the display in place for a minimum of 12 months. |
|--------------------------|---|
| N | Display slabs will be provided FOC. However, a minimum sales revenue of $\pm 5,000$ is expected to be generated within 6 months. Failure to deliver this may result in a ± 500 fee being invoiced to your account (fee depending on the quantity of slabs). |
| N | Kitchen plans must be submitted at least 2 weeks prior to installation and must be fitted in 2 weeks of delivery. |
| N | Images of the installed slabs should be emailed over to info@noblestone.uk and a follow up visit from your account manager should be arranged to register the display. |
| N | All the samples & display units must have Noblestone branding. |
| N | All displays and samples must be in clear vicinity and in the main showroom/business floor. |
| N | Showroom must actively push and promote displays including social media/website (where applicable), to ensure maximum sales opportunities are met. |
| N | Installed slabs and all samples are solely used for display and marketing purposes, not for sale to customers or for personal use. |
| N | Noblestone sales teams should be allowed to inspect the display and other samples materials issued, at regular intervals. |
| N | We may wish to carry out a credit check for new customers. |
| N | These terms are subject to change time to time and the same will be applicable to all customers. |
